Sign of the week:

This week we will be re-capping all the signs we have learnt so far.

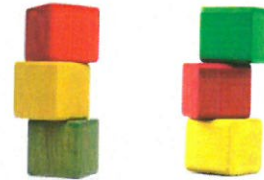

In Phonics:

- We will be exploring voice sounds.
- We will be reading some of our favourite noisy stories and using our voices to re-create the noises from those stories.
- We will be looking at familiar scenes (e.g. a park) and recreating the noises that we hear in those places.

In Maths:

- We will be exploring the composition of three. We will be making towers of three and talking about the composition of our tower e.g. 2 red blocks and 1 green block.
- We will compare our towers to see what is different and what is the same.

Indoor and Outdoor learning:

- We will be learning about and celebrating Eid!
- We will continue to look after and observe the plants that we are growing indoors and outdoors.
- We will be looking after our tadpoles, observing changes in them and making observational drawings of them.

Help At Home:

- We have been noticing and talking about signs of Spring in Nursery. What signs of Spring can you spot at home? Take a walk along the canal or to the park and see if you can spot baby birds, cygnets, flowers.

Dates for your diary:

- Jasper the dog will be visiting nursery on w/c 15.04.24.

We are here to help. If you have any questions or concerns, please talk to your child's keyworker or any of the staff in Chestnut/ Maple.
