--	---	---	---

In Maths we will be:

- Comparing amounts using more and lots.
- Sharing amounts equally through practical games.
- Counting and reciting numbers to 5 in everyday routines.
- Sorting and matching objects by simple features.

In Phonics we will be:

- Listening to and joining in with familiar rhymes.
- Playing rhyming games to find words that sound the same.
- Identifying the odd one out that does not rhyme.
- Developing listening and attention through sound and word play.

Learning opportunities:

This week in our enhanced and continuous provision, the children will have opportunities to:

- Build walls, ramps, and structures using blocks, planks, and bobbins.
- Explore textures by scooping and pouring materials in the sensory tray.
- Use a range of tools in the self-serve painting area to create their own artwork.
- Act out familiar stories using small world figures and props.
- Count, share, and compare objects during snack time and play.

Help at Home:

Rhyme

Sing familiar rhyming songs and read rhyming stories together at home. You could also play a simple game finding objects that rhyme, such as cat/hat or log/dog. Please feel free to share any photos or comments with us on EYLog.

Dates for your diary:

Wednesday 4th Feb 9.00 - 1.15 – Grandparents stay and play (sorry for the mix up in dates)
Friday 6th Feb – Wear something maths related for NSPCC number Day

We are here to help. If you have any questions or concerns, please talk to your child's keyworker or any of the staff in Maple.
