

This week in Chestnut

We are here to help. If you have any questions or concerns, please talk to your child's keyworker or any of the staff.

Book of the week: Little Glow 	Rhyme of the week: Rockets in the sky go swish swish bang! 5 little rockets standing in a row 	Sign of the week: Sad 	Happy Thought of the week: 
---	---	--	--

Maths

We will be:

- Using an empty egg carton with 6 acorns inside. We will be shaking the carton and then opening it to see what's inside. We will be looking for sections with 1, 2, or 3 items and trying to subitise—see the pattern without counting.
- Looking at three bottles with coloured liquid and talking about which is full, half full, or empty and how we know. We will be taking turns filling the bottles using a jug and funnel, making them full, half full, or empty.

Phonics

We will be:

- Listening carefully to the sounds around us (environmental sounds).
- Playing sound games using our listening ears.
- Exploring sounds we can make with our voices and instruments.
- Joining in with songs and rhymes that repeat sounds and words.

Learning opportunities

We will be:

- Exploring sensory firework trays with glitter, shaving foam.
- Making potions! We will be filling and emptying potion bottles, noticing when they are full, half full, or empty, and using labels to talk about what's inside our potions.
- Making things with clay, watching and copying how to shape it, and trying out new ways to model it.
- Using scissors and tape to make things, cutting carefully, and joining pieces together.
- Practising early letter writing, making marks, and starting to form letters while having fun exploring mark making tools.

Bonfire Night Safety

Here is a short video you can share with your child about staying safe on Bonfire Night — watching fireworks from a safe distance and using sparklers carefully.

We'd love to see your Bonfire Night celebrations, so please share your photographs with us on EYLog!
