

Weeks beginning Monday 14th September 2020

This week in Sycamore

Book of the week:
The New Friend

Familiar story:
Owl Babies

Rhyme of the week:
Owl in the Tree

Outdoors:

Outside the children have been very interested in the conker tree. We will be collecting conkers and other natural materials to add to the mud kitchen. We will also be using planks, crates and large wooden blocks to create obstacle courses. The children will be supported with routines such as putting on coats, waterproof trousers and wellies. You can help at home by encouraging your child to put on their own shoes and coat.

Indoors:

We will be helping the children to choose, use and return resources in the areas of provision.

We will be also be adding some of the conkers that we have collected to our maths area. During carpet sessions, we will be listening to stories, participating in rhymes, counting and moving to music.

Remember to download the eyLog app. We will send pictures, videos, observations and accident notes via this app. Please contact school if you do not have access to eyLog.

We are here to help. If you have any questions or concerns please telephone school.
