Rhyme of the week:

5 little mermaids

5 Little mermaids were swimming near the shore;
One took a dive and then there were four,
Four little mermaids swimming out to sea;
One went for food and then they were three:
Three little mermaids were swimming:
“Now what shall we do?”
One swam away and then they were two,
Two little mermaids were having great fun,
Then one took a plunge and then they were one.
One little mermaid, “I like the warm sun.”
Away she went and then they were none!

Book of the week

Going Fishing

I took my shiny fishing rod
And went down to the sea.
There I caught a little fish,
Which made
One fish and me.

I took my shiny fishing rod
And went down to the sea,
There I caught a little crab,
Which made
One fish, one crab and me.

I took my shiny fishing rod
And went down to the sea
There I caught a little clam,
Which made.....
One fish, one crab, one clam.....and me!
