Indoors:

We will be sorting things by color and size to develop comparison skills.

Outdoors:

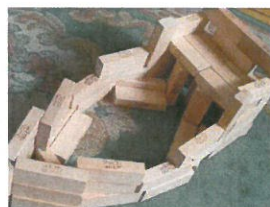

This week we will be investigating trees and the changes in seasons in our Forest School adventures to develop our knowledge of the world.

We will also be investigating water flow in the water area testing the theory of gravity.

We will also be using our Book of the Week as inspiration to build with purpose – creating our own boats.

Remember!

Please send your child's spare clothes in a named bag. We are discouraging plastic or drawstring bags for safety reasons. Thank you for your cooperation.

If you have any questions or concerns please talk to your child's keyworker or any of the staff in Chestnut.
