Indoor learning:

This week the children will spend time familiarising themselves with their classroom whilst spending time revisiting and making new friendships.

Outdoor learning:

During outdoor play the children will have the opportunity to play with the different areas of provision outside. Adults will model how to use equipment and support children's learning.

Dates for your diary:

w/b – 15th September

We will be reading the story 'Owl Babies.' It would be great if you could send in some family photographs for us to discuss with your child. These can be a hard copy or via email to the school office. We will then display the images in our home corner for children to look at. We have found that having photographs from home helps the children to settle really well into nursery life.

We are here to help. If you have any questions or concerns, please talk to your child's keyworker or any of the staff in Maple.
