In Maths we will be:

- Reciting numbers in order up to 5 through songs and counting games.
- Sorting and matching different objects, talking about similarities and differences.
- Exploring how the total stays the same when objects are moved or rearranged.
- Noticing numerals in the environment, such as on doors, signs, and displays.

In Phonics we will be:

- Listening carefully to and identifying different instrumental sounds.
- Exploring how sounds can be loud, quiet, fast, or slow using instruments.
- Joining in with sound games and copying simple rhythmic patterns.
- Developing listening and attention skills through musical play and group activities.

Learning opportunities:

- Explore textures and changes while mixing potions.
- Describe and sort insects in jelly baff.
- Act out Bonfire Night and talk about keeping safe.
- Make firework marks in sand and shaving foam.
- We will also be learning about Diwali and finding out about celebrations that are special to different families and communities.

Bonfire Night Safety

Here is a short video you can share with your child about staying safe on Bonfire Night — watching fireworks from a safe distance and using sparklers carefully.

We'd love to see your Bonfire Night celebrations, so please share your photographs with us on EYLog!
